WELCOME TO OUR FARM AND ENJOY YOUR VISIT

- Park your car in the designated area and then be welcomed by one of our friendly greeters or head up to the Gift Shop on Prancer Pkwy; where we can answer all your questions.
- If you didn't bring your own saw, borrow one of ours (hanging on the nearby shed) Please remember to return it before you leave the farm.
- Please check our beautiful fresh cut trees. Follow Prancer Pkwy. to the back of the **orange** barn.
 - ★ Other small trees often referred to as table top trees, children's room trees, small trees etc. are also located in this area. They are cheaper than u-cut field trees of this size. We discourage cutting small trees in the field.
- Interested in cutting down your own tree? Follow Blizzard Blvd. to Reindeer Run (left of the pond) Because of the deer fencing, there is only **ONE** entrance to the fields.
 - ★ Our fields of trees are labeled but there are many fields so walk around to find your perfect tree
- Choose & cut your own tree. Please cut as low to the ground as possible.
- Pull your tree to the nearest trail so it can be picked up by our helpers and brought to the bundler. If you prefer the traditional approach, you may drag your own tree to the bundler. (not advisable if the trails are muddy) Be sure to stay with your tree until you get your tag.

We use a 3 part, perforated tree tag that has the same number printed on each part.
You will be given the bottom 2 parts and our helper will attach the top third part to your tree.

- Please take your 2 parts of the tag with you and **PAY FOR YOUR TREE INSIDE THE GIFT SHOP** on Candy Cane Lane.
 - ★ Our cashier will keep one part of the tag. You will keep the other part and match the number to the tag that was attached to your tree which is now ready for you to pick up at the bundler and put in/on your vehicle
- Be sure to check out the many Christmas items in our gift shop and receive your complimentary bag of popcorn and candy canes.
- Beautiful wreaths and kissing balls are available in the covered area of the barn and on display outside the gift shop.

Thank you for making our farm part of your Christmas traditions

MERRY CHRISTMAS FROM ALL OF US AT COUNTRY PINE FARM
